Len Clark Honored for Comprehensive Plan Work

Richmond, IN – Len Clark was honored at the Comprehensive Plan Implementation Open House on May 15 for his two years of chairing the Implementation Steering Committee.

Sally Hutton presented the “A True Leader” sculpture to Len Clark. The inscription reads, “ A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader but becomes one by the quality of his actions and the integrity of his intent. In the end, leaders are much like eagles... they don’t flock, you find them one at a time.” The white stone relief sculpture is an eagle with wings outspread.

Clark chaired the process of developing and adopting Richmond’s new Comprehensive Plan. He went on to chair the Implementation Steering Committee that oversaw the 12 teams that worked on each section of the Comprehensive Plan.

The City is grateful for the time and effort that Clark volunteered to make the Comprehensive Plan a true ‘living document.’
